

HOW COLLEGE STUDENTS CAN FIND FUNDING FOR THEIR BUSINESS

Nate Matherson | February 26, 2019

[Share](#)|

For this week's blog, I am simply including a link to another blog that is not a typical post for me and my target market, but is a topic, nevertheless, that is becoming increasingly important today and could be very useful information for your children to be aware of if they are contemplating getting into business for themselves or if they have an idea that they believe could turn into a viable business. I hope you enjoy this information from my friends at LendedEDU.
